MYSTIC

Aged brass hardware encases a stunning seeded crystal that sparkles bright. The fluted central crystal is hand carved with V channels for an added optical and textural effect. An electrified aircraft cable passes invisibly through the crystal to power LED arrays that illuminate upward into the crystal for brilliance and downward for powerful illumination. Install Mystic in multiples to make a rich design statement.

RIDDLE

Riddle's intricate pattern and joinery is no joke. Our expert craftsmen use a special wet-etching process to create a textural motif that looks like a mash up of Sol Lewitt and the complex geometric shapes of Islamic architecture. Inside, an acrylic diffuser shields the high-performance LED modules to create glare-free illumination, which peekaboos through the etchings and creates stunning patterns on the nearest surface. A true statement piece with a bold black finish.
