ARTFUL ILLUMINATION

Integrating ever-advancing LED technology with edgy modern design, our Forever collection illuminates and excites luxury spaces.

Set within an elegant double-tiered circular canopy, a trio of robust LEDs casts beams of downward illumination. Subtle light grazes each silken cord and reflects sparkling brilliance across each pendant's polished surface, transforming it into a work of art.

A discreet switch hidden inside the luminaire's canopy allows you to customize the light to your desires. Using color-selectable LED technology, choose from soft white (3000K), neutral white (3500K) or bright white, 4000K illumination to render light with a dramatic yet minimal presence.
