

SCHONBEK® 1870

Founded in Bohemia in 1870, Schonbek has a rich tradition of designing and making the most elegant, breathtaking crystal chandeliers and sconces.

SCHONBEK
Signature[®]

The Schonbek Signature Collection offers traditional chandeliers, pendants and wall sconces with ornately detailed frames adorned with tiers of sparkling crystal. The majority of these luxurious artisanal pieces are made-to-order in the USA with premium crystal and handcrafted techniques resulting in authentic masterpieces for luxury homes and hospitality spaces.

FOREVER[®]

SCHONBEK

Forever by Schonbek is an ensemble of the most luxurious, jewelry-inspired pendants, ceiling and wall lights. Each brilliant design is handmade by our artisans in our New York State facility and showcases rich elements of sparkling Radiance™ Crystal, glistening pearls and lustrous metallic finishes. Every piece is a unique work of art.

CCT OFFERINGS

SCHONBEK CRYSTAL LIGHTING

Schonbek incorporates three types of CCT technology, all possessing a high 90 CRI.

1 CCT

The fixture has a single color temperature of 2700K, 3000K or 3500K.

3 CCT

An easily accessible switch inside the luminaire's canopy allows for a selection of three color temperatures at the time of installation: 3000K, 3500K or 4000K.

4 CCT

Four color temperatures are available using the accessible switch to select from 3000K, 3500K, 4000K or 5000K CCT.

3000K

Soft White Light

3500K

Pure White Light

4000K

Neutral Light

5000K

Cool Light
