SMART FANS

2025 CATALOG

WAC Smart Fans

WAC Smart Fans combine energy-efficient DC motors, smart home connectivity, sophisticated styling at competitive price points, creating a compelling ceiling fan collection that is unmatched in quality and function.

New housing styles, contemporary blade designs and beautiful finishes bring fresh possibilities for residential and commercial settings. Integrated, dimmable LED light sources deliver energy-efficient illumination to surrounding spaces, and lighting and fan speed control is easy with Bluetooth remote or optional Bluetooth wall controls. Or download the free MyWAC Smart Fans app and synchronize with a multitude of smart home devices for smart home control from anywhere in the world.
