INTRODUCING dweLED 2025 Luminaires

We are excited to unveil our latest dweLED collections that continue our tradition of pushing the envelope of design and technology. These luminaires are inspired, breathtaking designs, creating a fusion of beauty for indoor and outdoor applications.

At dweLED, we are committed to making strides towards a greener and more eco-conscious future. In our pursuit of sustainability, we've decided to reduce the size of this supplement to minimize our ecological footprint and contribute to preserving our planet's resources.

dweLED Multi-Lights

dweLED presents our multi-light fixtures which incorporate multiple pendants that can be installed onto one square, round or linear canopy. These pendant styles can be arranged in various ways on a single canopy to create an artful statement as well as deliver ample lighting to various spaces throughout a home or business.
