WAC GROUP

CUSTOM LIGHTING FOR VISIONARY DESIGNS

From refined modifications to fully bespoke creations, WAC Group empowers designers to craft statement lighting that elevates every space.

BRING YOUR BOLDEST IDEAS TO LIFE.

WHY CUSTOM

Custom solutions offer true distinction by matching proportions, finishes, materials, and sculptural forms precisely to your project.

PARTNER WITH US. CREATE SOMETHING EXTRAORDINARY.

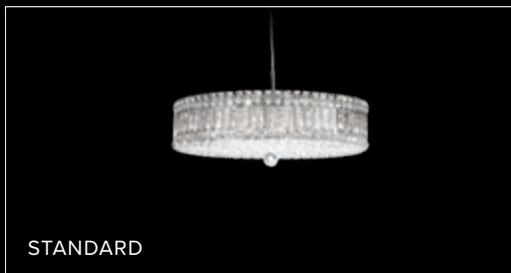

From modifications to fully custom designs, we help craft lighting experiences that define luxury. With advanced manufacturing and in-house UL/ETL labs, WAC Group delivers uncompromising quality from design to installation.

CUSTOM

ORIGINAL CUSTOM LIGHTING

When projects call for the exceptional, we design original luminaires with unique forms, materials, and integrated architectural elements, developed collaboratively and with a focus on performance and beauty.

STANDARD

MODIFYING EXISTING DESIGNS

Tailor one of our fixtures to fit your vision: adjust scale, select custom finishes, fine-tune color temperature, boost output, or adapt wiring for control systems. Small changes create the perfect solution.

P E N D A N T

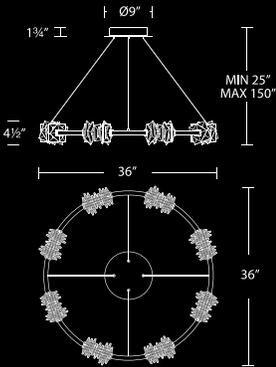

Exquisitely crafted with a modern sensibility from luxurious materials, our LED pendants cast a captivating glow, elevating any space to new heights.

★ NEW

B E R G Y

Commanding and contemporary, Bergy transforms the raw drama of crystalline form into an architectural statement. Arrayed along a sweeping circular frame, faceted Optic Crystal clusters, reminiscent of jagged ice formations, create a sculptural rhythm of sharp angles and dazzling clarity. Each crystalline stack is precisely mounted to accentuate its fractured geometry, capturing and scattering LED illumination with striking intensity.

- Illuminated faceted Optic Crystal with Radiance® Crystal Dust diffuser.
- Accessible 4CCT adjustability switch. Set from 3000K/3500K/4000K/5000K.
- Thin, powered aircraft cables provide an ultra-clean look for adjustable suspension height.
- Driver concealed within the canopy.

B E R G Y

Bergy refines crystalline drama into a striking, elongated composition. Along its streamlined metal beam, faceted Optic Crystal clusters, each echoing the jagged contours of fractured ice, are arranged in a rhythmic sequence that feels both raw and meticulously orchestrated. Every crystal stack is precisely mounted to capture and refract illumination from the concealed LEDs within, producing a crisp, radiant glow that travels the length of the fixture.

- Illuminated faceted Optic Crystal with Radiance® Crystal Dust diffuser.
- Accessible 4CCT adjustability switch. Set from 3000K/3500K/4000K/5000K.
- Driver concealed within the canopy.

ARIANA

Ariana elevates modern crystal artistry with its bold vertical silhouette and meticulously engineered details. Solid Radiance® Crystal bars, sculpted with precise V-cut grooves, are encased within a sharply contoured metal frame that emphasizes their prismatic depth. Integrated 4CCT LEDs illuminate the crystal from within, revealing layers of refracted brilliance.

- Illuminated faceted Optic Crystal and Radiance® Crystal Dust diffuser.
- Accessible 4CCT adjustability switch. Set from 3000K/3500K/4000K/5000K.
- Can be mounted on wall in all orientations.
- Driver concealed within the fixture.

JOSEFINA

Drawing its dramatic presence from the angular beauty of icy mountain peaks, Josefina sparkles from faceted diffusers filled with Radiance® Crystal Dust that rise like sculpted ridgelines. Light refracts through the layered geometry, creating a crystalline glow that feels both crisp and atmospheric. Geometric planes intersect to form an unexpected, architecturally bold silhouette that provides visual contrast against the luminous surfaces.

- Illuminated faceted Optic Crystal and Radiance® Crystal Dust diffuser.

The Lanie outdoor wall sconce combines understated modern design with bold architectural appeal. Its clean, neutral triangular body directs light downward from advanced LED modules, gently diffused through clear crystal for a refined glow. Built for durability, the impact-resistant frame and Marine Grade powder coat finish ensure long-lasting, energy-efficient illumination in any outdoor setting.

- Illuminated cut Optic Crystal.
- Additional diffused back light.
- Accessible 3CCT adjustability switch.
Set from 3000K/3500K/4000K.
- Can be mounted on wall vertically or upside down.
- Driver concealed within the canopy.

Where artistry meets intelligence. Schonbek Smart Fans blend sculptural beauty, precision engineering, and seamless control into a single modern statement. Each design delivers whisper-quiet DC performance, integrated LED illumination, smart-home compatibility, and luxurious materials. The result is comfort elevated to an experience: refined, responsive, and unmistakably Schonbek.

ATOMIC

Express yourself in this artistic, rotating blend of light and movement in space. The stitched black faux leather bands illuminate uniformly from within. In the nucleus of this dynamic piece, a trio of fan blades creates gentle breezes. A true head-turning, attention getter.

- Six-speed DC motor reversible from remote control or app.
- Easily accessible 3CCT adjustability switch. Set from 3000K/3500K/4000K.
